WINTER 2025

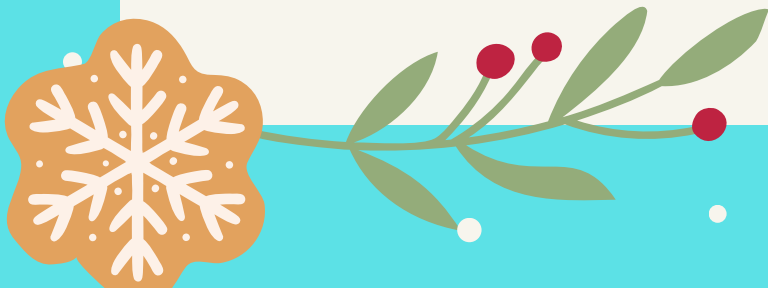

Merry Christmas From Pastor Mike Jr

Hello Fresh Perspective Family & Friends,

This fall semester has flown by! We've celebrated the launch of another successful North City Blues season and expanded our Beyond the Classroom tutoring program to the North Campus. Our youth and families have remained actively engaged in Youth Church, and we're excited to finish the year strong with our Annual Lunch with Santa on Saturday, December 20th. There's still time to sign up—click [here](#)!

As we look ahead to 2026, we're preparing new initiatives and activities, including a Black History Month Trivia Night in February and so much more. God's blessings to you and your family during this season. Let's close out the year with joy and anticipation for what's to come!
